BROKERAGE FLEET

Southern Wind have delivered nearly 60 yachts to owners from around the world. The Southern Wind Brokerage department was established to support owners who are considering the sale of their yachts, and is the first point of contact for prospective buyers considering the purchase of one of these magnificent sailing yachts. Drawing on a range of skills and a close working relationship with the shipyard, the customer care and the charter departments, the brokerage team can offer knowledgeable advice to owners on the best way to position their yachts on the market. The team also shares a passion for sailing that shines through every conversation they have with an owner or potential buyer. The results speak for themselves and the SWS Brokerage team has been responsible for the majority of successfully concluded purchases of SWS pre-owned sailing yachts.

For prospective buyers who are searching for available SW yachts, our team is available to support the entire buying process, drawing on a wide experience and extensive network. We invite you to browse our portfolio of brokerage listings and for additional information, please contact us and we will be happy to answer any questions you may have.

SW100#11 FRIDAY

Friday is a beautifully presented example of the Southern Wind 100 miniseries with sleek and sporty 'Raised Saloon' deck configuration. She was designed and built to meet two important objectives for her owner, long-range comfortable cruising with his family and competitive super yacht racing with his friends. Over the past decade, she has successfully accomplished these objectives while cruising between the Mediterranean and Caribbean and when competing in major events such as the St. Barth's Bucket and Southern Wind Trophy. Consistently upheld to high standards, she is now prepared for a new sailing journey.

SW78#04 OCEAN HORSE

Ocean Horse was originally delivered as 'AllSmoke' and developed an excellent reputation as a competitive racer while at the same time, proved to be the perfect blue water cruiser. She has only been used for private family cruising with the occasional regatta appearance where she had a great record with class victories or podium finishes in every event she entered. Between 2015-2016, she underwent a major refit where she was restored to her original condition and modernized in many ways. Always maintained to a very high standard, she presents very well and is ready for a new owner to step onboard and start sailing.

An aerial night photograph of a marina. In the foreground, several sailboats with white sails are docked in a row. Behind them, a large, multi-story building is brightly lit with warm yellow and orange lights, and some areas have colorful blue and purple lighting. The building has a complex roofline with multiple levels and balconies. To the right of the main building, there are smaller structures and more boats, including some motorboats. The water is dark blue, and the background shows a dark coastline with some distant lights under a twilight sky.
