**THE IDEAL YACHT BOTH FOR PASSIONATE
SAILORS AND SEA LOVERS**

Freebird is a fast cruiser belonging to the successful SW 100 project, built by Southern Wind Shipyard.

Designed by Farr Yacht Design with Nauta Yacht Design, Freebird is for people who want reliable and fast sailing yachts without having to compromise on comfort and privacy.

Freebird 

Safety: the experience of Southern Wind Shipyard in building bluewater yachts afford guests a carefree holiday on board.

Performances: advanced construction techniques and outstanding design assure exciting and comfortable sailing in any weather conditions.

Comfort: interior and exterior layouts are designed to accommodate the different uses that guests and crew will make of the yacht. Mutual privacy and dedicated spaces are some of the key elements for a happy cruise.

Professional crew: the highly qualified multilingual crew meets the most exclusive guests' needs. Amazing sailing, fascinating anchorages and tasteful cuisine experience.

A dodger, bimini with removable side panels and a boom-extended awning mean maximum flexibility for shading the guest cockpit and the sun-bathing area and protecting guests from bad weather. A sunbathing area adjacent to the guest cockpit creates an ample social area where those in the sun can converse with those sitting in the shade.

The soft cushions in the sun bathing area and the open transom “beach” are tempting spaces for those who want to soak up

MASTER CABIN

The interior layout features a clear separation between crew and guest areas for maximum privacy. The accommodation comprises two double twin cabins amidships and a VIP cabin further forward.

The owner's suite is forward in the quietest area of the yacht and features a vanity desk, a couch for two and a spacious en suite head with shower box.
